

ESET vs. F-Secure

Protection and reliability

Financial malware detection

Financial malware is a special category of malware which is designed to obtain financial information about victims and then use it to steal money from their accounts. **ESET is consistently rated very good at blocking financial malware.**

ESET vs. F-Secure

Awards

VB100 Awards

Virus Bulletin, www.virusbtn.com,
05/1998 - 12/2016

Since May 1998, ESET has passed every Virus Bulletin VB100 test in which it has participated, except one. F-Secure did not participate in 30+ tests and failed a total of 16 times. ESET does not hesitate to prove its quality in public tests.

Total Advanced+ Awards

AV-Comparatives, www.av-comparatives.org,
05/2004 - 12/2016

ESET has been developing its heuristics engine since 1992. This is evident when looking at the amount of awards ESET has won compared to F-Secure.

■ ESET ■ F-Secure

"The test corpus consisted of 81,796 emails. 73,710 of these were spam, ESET, stood out for missing just four emails from the spam corpus."

Virus Bulletin
VBSpam Comparative Review, September 2016

"ESET received the highest rating in the AV-Comparative File Detection Test and was awarded with the File Detection, Advanced+ Award. The File Detection Test assesses the ability of antivirus programs to detect malicious files on a system."

AV-Comparatives
File Detection, March 2016

"ESET Endpoint Security: The package detected all the malware threats in the test, with almost no burden on the System."
"ESET demonstrated excellent performance when it came to detecting over 11,000 selected Windows malware threats."

AV-Test
12 Security Suites for Mac OS X Put to the Test, July 2016

"ESET protected against all of the public web-based threats and targeted attacks. It blocked 100 per cent of the threats. This software was also entirely effective when handling legitimate objects, giving it the rare privilege of a 100 per cent overall rating."

SE Labs
IT Security Products for Small Business, July-September 2016

ESET earns 100th VB100 award

"ESET has been a top performer in our tests since 1998, and today we are delighted to present their 100th VB100 award – a first for any single product over the years," said John Hawes, Chief of Operations at Virus Bulletin, "ESET NOD32's history of excellent performances and zero false positives is a clear indicator of a very well-built, well-maintained and extremely reliable product."
