

## ESET vs. Trend Micro

## Protection and reliability

MRG Effitas  
[www.mrg-effitas.com](http://www.mrg-effitas.com)  
 Online Banking  
 Certification Project  
 Q3 2016

Financial malware is a special category of malware which is designed to obtain financial information about victims and then use it to steal money from their accounts. **ESET is consistently rated very good at blocking financial malware.**

SE Labs  
[www.selabs.uk](http://www.selabs.uk)  
 Home Anti-Malware  
 Protection,  
 July - September 2016

ESET's products are designed with **built-in protection** from the very beginning, and this test result proves that ESET's approach works best.

AV-Comparatives  
[www.av-comparatives.org](http://www.av-comparatives.org)  
 Real-World Protection  
 Test,  
 September 2016

When a "false positive" occurs, it **can cause serious problems**. If an antivirus solution is configured to immediately delete or quarantine infected files, a false positive in an essential file can render the operating system or some applications unusable.

■ ESET ■ Trend Micro \*Lower is better

## Performance

AV-Comparatives  
[www.av-comparatives.org](http://www.av-comparatives.org)  
 Network Performance  
 Test,  
 August 2016

Communication across a network is increasingly critical in the work environment. Similar to hardware on business systems, the behavior of the network has an impact on the operation of devices. **ESET approved its low network impact in this test.**

AV-TEST  
[www.av-test.com](http://www.av-test.com)  
 The best antivirus  
 software for Windows  
 Home user,  
 April 2016

Faster operation and lower resource consumption mean **better performance**. ESET is faster and lighter than Trend Micro in many scenarios.

AV-Comparatives  
[www.av-comparatives.org](http://www.av-comparatives.org)  
 Performance Test,  
 October 2016

Performance tests tell you how much impact a security product may have on system compared to other security products. **ESET impacts performance less than Trend Micro.**

## ESET vs. Trend Micro

## Awards

## VB100 Awards

Virus Bulletin, [www.virusbtn.com](http://www.virusbtn.com),  
05/1998 - 12/2016

ESET has passed every Virus Bulletin test in which it has participated since May 1998, except one. Trend Micro has participated in only 24 tests and failed eight times. ESET does not hesitate to prove its quality in public tests.

## Total Advanced+ Awards

AV-Comparatives, [www.av-comparatives.org](http://www.av-comparatives.org),  
05/2004 - 12/2016

ESET has been developing its heuristics engine since 1992. This is evident when looking at the amount of awards ESET has won compared to Trend Micro.

■ ESET ■ Trend Micro

*"The test corpus consisted of 81,796 emails. 73,710 of these were spam, ESET, stood out for missing just four emails from the spam corpus."*

Virus Bulletin  
VBSpam Comparative Review, September 2016

*"ESET received the highest rating in the AV-Comparative File Detection Test and was awarded with the File Detection, Advanced+ Award. The File Detection Test assesses the ability of antivirus programs to detect malicious files on a system."*

AV-Comparatives  
File Detection Test, March 2016

*"ESET Endpoint Security: The package detected all the malware threats in the test, with almost no burden on the System."*

*"ESET demonstrated excellent performance when it came to detecting over 11,000 selected Windows malware threats."*

AV-Test  
12 Security Suites for Mac OS X Put to the Test, July 2016

*"ESET protected against all of the public web-based threats and targeted attacks. It blocked 100 per cent of the threats. This software was also entirely effective when handling legitimate objects, giving it the rare privilege of a 100 per cent overall rating."*

SE Labs  
IT Security Products for Small Business, July-September 2016

ESET earns 100<sup>th</sup> VB100 award

*"ESET has been a top performer in our tests since 1998, and today we are delighted to present their 100th VB100 award – a first for any single product over the years," said John Hawes. "ESET NOD32's history of excellent performances and zero false positives is a clear indicator of a very well-built, well-maintained and extremely reliable product."*
